Dear Deremia:

On behalf of the Triangle/Eastern NC Chapter of the Juvenile Diabetes Research Foundation (JDRF), I would like to thank you and Mix 101.5 for your involvement with our 2003 Walk to Cure Diabetes. With your help we were able to increase awareness about the Walk and in return spreading our mission of curing diabetes.

Over 5,000 people attended Walk Day and your contribution helped us produce an event that was a pleasant experience for all participants. The weather was perfect and the atmosphere was festive, which allowed us to hold a great celebration. The grand total raised, as of today, is \$490,000 and we are still counting! With your help, the Walk to Cure Diabetes continues to be one of the largest and most successful walks in our area.

The mission of the Juvenile Diabetes Research Foundation is to find cure for diabetes and its complications through the support of research. In a typical year, 85 percent of JDRF's expenditures directly support research and education about research. Your donation helps us to maintain this high level of excellence and to this we are extremely grateful.

The Juvenile Diabetes Research Foundation is a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Service Code. Therefore, your donation is fully tax-deductible to the extent of the law.

We look forward to your involvement in next year's Walk to Cure Diabetes and continue to thank you for your support.

Dear Steve:

Thank you very much for your generous contribution to our Fourth Annual Children's Hospital Silent Auction. The golf and MIX 101.5 items were a tremendous hit and with your help, our department raised \$25,477.62, our best year ever! GEICO associates raised \$47,870.52 and GEICO's Philanthropic Foundation donated \$22,129.48 making our total contribution to Children's Hospital \$70,000. The money will be used towards purchasing equipment, expanding existing buildings and/or the development of new clinics.

GEICO has been a corporate supporter of Children's Hospital for 23 consecutive years and each year we try to set and accomplish greater goals. Without the assistance of our business partners, such as WRAL-FM, we would not achieve our goals.

Again, Thank You for making the 2003 Children's Hospital Silent Auction a success.

Dear Mr. Morris:

I want to personally thank you for helping this lodge in collecting the food and additional items for the victims devastated by Hurricane Isabel. We sent 6 1/2 pallets of food to two counties and a check for money collected on 10/2/03, was sent to a food bank and a 3rd county will be receiving food and other items in the very near future. These counties as of 10/7 still do not have all the power and telephone service back in operation.

Again, thank you for helping my lodge make this happen to help these poor people in our state.

Dear Rich,

I was surprised the day you called to discuss current events at the Coalition. You asked many interesting questions and I enjoyed talking with you. This was my first experience at a radio interview, so naturally I was nervous. Although I was not fortunate to hear the broadcast of the program, I have had many people tell me it was excellent.

On behalf of the Board of Directors, the staff and volunteers, I extend our sincere gratitude for the opportunity you provided to inform our community about current events at the Coalition. You used your talents, skills and broadcast resources to promote our agency and it has been successful. It is hard to say the exact amount our donations increased but several donors specifically made reference to the program they heard on WIOZ as the stimulus to make a contribution at this time.

When Bill Smith hosted their coat and blanket drive in October, WIOZ sponsored coverage of the event and we received about 200 coats. In December, the Coalition also received a positive response to the radio coverage. I am personally convinced of the power of radio. Again, I cannot overstate my appreciation for your interest and assistance.

I hope to have the opportunity to meet you soon.

Thank you so much for taking the time on your show to talk about the Train Station Ornaments that the Friends of Southern Pines Library is offering for sale this year. Your interview with Voit Gilmore was quite good and has helped to generate excitement about our new series of Southern Pines Landmark Collectibles. Early sales of this first one of the series indicate a promising outcome.

A great many of the citizens of Southern Pines and their children take advantage of the library programs that The Friends of Library is able to offer as a result of fund-raising efforts such as this. Saturday, November 8, 2003

Dear Rich:

Thank you, on behalf of Moore County Action for Animals, for helping us to reach so many with your great PSA's about our organization and the Inaugural Moore County Action for Animals Companion Animal Fair on November 9, 2002 at the Nancy Kiser Park in Carthage.

The fair was a huge success in terms of the number of people with companion animals who attended, the number of vendors who participated, and the two bands, "Teen Challenge" and the McKenzie Brothers who entertained throughout the day.

Children had the opportunity to see "Gracie" the television star from Bon-Clyde Learning Center, "Peter, the Pot-Bellied Pig" from Solutions for Animals and numerous puppies available for adoption from the Animal Center of Moore County. Pony rides were also available for children to enjoy throughout the day.

Most of all, Moore County Action for Animals succeeded in planting the seeds of awareness of why spay and neutering is so very important to all of our lives. As you know, several local veterinarians donated low-cost/free spay/neuters which were raffled every hour.

Our goal is to continue to address the huge problem of dog and cat overpopulation and to make Moore County the safest place to be for a dog or a cat.

Thank you for your generosity and all the best.

Dear Anthony Testa,

On behalf of Charlotte's Eighth Annual Taste of the Nation, I would like to thank you and Clear Channel WLYT WWMG for your support of the 2003 Taste of the Nation event held last week, April 9, 2003

The results are impressive. More than 75 sponsors contributed \$105,000.00 in financial contributions and \$50,000.00 of in-kind contributions. The impact that this will have on hunger will mean more than 300,000 meals for the hungry here in Mecklenburg County.

We could not have achieved this success without you. Thank you for your generous support and willingness to make a contribution during a difficult economic time and a period of uncertainty for our nation. The impact that we have this year upon the hungry is more important than ever as the rolls of unemployment grow and meals are harder to come by.

We are happy to report many local media outlets covered the event—giving exposure to the fight against hunger as well as to your company. Some of the outlets include: The Charlotte Observer, The Charlotte Business Journal, Charlotte Magazine, Greater Charlotte Biz, Greater Charlotte Hospitality News, South Charlotte Weekly, Creative Loafing, Charlotte Taste, Rhinoceros Times, WBTB-TV, WCNC-TV, WCCB-TV, News14 Carolina, WBT radio, WLNK radio, WFAE radio, WWMG radio and WLYT radio.

Taste of the Nation salutes you and your organization. We hope that you enjoyed the event and will continue to be involved.

Regards,
